Whether you are new to Action Learning, or you are already an AL practitioner, sponsor or user, bring your questions, ideas - and your experiences of AL whatever they are. Using the principles of 'Open Space', you will have the opportunity to explore with others from a wide variety of backgrounds topics such as:

- ✓ What is Action Learning?
- ✓ How effective is Action Learning (and how can we find out)?
- ✓ How do you know which to choose, AL or Coaching?

and if you wish, to work in an Action Learning Set, either self-facilitated or with an experienced facilitator.

Fee: £295 +VAT includes use of the school's facilities, a buffet lunch and refreshments PLUS one year's personal subscription to the journal Action Learning: Research & Practice (worth £81).

A special rate of £195 +VAT is available to the first 40 IFAL members or Action Learning: Research & Practice subscribers to book a place.
